The current situation has made it clear that the future of our society depends on our ability to collaborate and innovate. In this context, it is crucial to foster a culture of cooperation and openness. The following pages outline key strategies for achieving this goal.
